Davis, I understand EPA had its press conference on the release of the Proposed Plan. I was wondering if you could provide me with links to both the FS and Proposed Plan so that the LWG can begin its review.

Thank you,

Bob

Bob, I would defer to Mark MacIntyre on this question. I believe Mark has been coordinating

with Barbara on the press front.

Davis, thank you for the update on the EPA Media Availability plan. As you know, Barbara Smith had asked about attending the session in Portland on behalf of the LWG. Since the venue has changed can you please let us know if Barbara can listen to the call and if you can provide the phone number for the session?

Hi Everyone,

I am writing to provide you with an update on EPA's plan for Media Availability.

A media availability previously scheduled for EPA's Portland Office on the 8th, will now be held via teleconference.

This teleconference is an availability specifically for local news reporters to speak with EPA, who will offer a brief statement followed by Q & A about the Proposed Plan.

The photo availability in Portland is cancelled.
